Project Close-Up 1980 was a very rewarding experience. The participants learned a great deal about our government and in addition made many new friends. They were able to meet and talk to many important political figures such as Congressman Ron Dellums, and some students even saw President Carter and Senator Kennedy! In addition to seminars and workshops, they were able to visit many important buildings including the Capitol and the Supreme Court.

The participants this year were: Vernon Kato, John Grandy, Stanley Chin, Bobby Sujishi, Liz Comte, Jeff Stolte, Andy Arnoff, Lori Varvaro, John Yi, Mindy Holmes, Jennifer Iscol, Cheryl Finley, Marianne Judt, Natasha Sardalla, David Morgan (Al Morgan's son), and Teacher-Coordinator Bob Allegrotti

1980 SIGNALS THE BEGINNING OF A NEW DECADE AS WELL AS A NEW BEGINNING FOR THE STUDENTS OF THE CLASS OF 1980. FRIDAY, JUNE 13, 1980 MARKS THE END OF A LONG AND SIGNIFICANT PERIOD OF YOUR LIFE; A PERIOD DURING WHICH YOU HAD THE OPPORTUNITY TO PASS FROM THE WORLD OF CHILD INTO THE WORLD OF ADULTHOOD. AS YOU REMEMBER YOUR YEARS AT ALBANY HIGH SCHOOL; YEARS FULL OF JOYS AND TEARS, HOPES AND DISAPPOINTMENTS, IT IS HOPED THAT WE, THE STAFF OF ALBANY HIGH SCHOOL HAVE AIDED YOU IN YOUR INTELLECTUAL, PHYSICAL, EMOTIONAL AND SOCIAL PASSAGE. WE FONDLY REMEMBER YOUR ANXIOUS FRESHMEN FACES AND ARE INDEED PROUD OF THE YOUNG ADULTS WHICH YOU HAVE BECOME. WE SEND YOU OUT INTO YOUR NEW DECADE WITH HOPE AND CONFIDENCE. HIGH SCHOOL IS BUT ONE SIGNIFICANT EPISODE IN YOUR LIFE. DO NOT STOP NOW; GO OUT, SEIZE EACH OPPORTUNITY AND STRIVE TO DEVELOP YOUR ABILITIES TO THEIR FULLEST. YOUR FUTURE IS OUR LEGACY.

Drechen

We all came together four years ago.
 We have grown closer and
 Learned new things each day.
 We've accepted our defeats
 And shared our victories.
 We took the good with the bad
 And made everything come up better.
 It is now our turn to graduate,
 To leave all our friends,
 To face the world alone, and
 To achieve our future goals.
 The Class of 1980 will make it in
 This crazy world of ours,
 Because we've shared the happiness and
 Sorrow that each day brought and
 We've learned through our closeness
 The one thing we need
 And have to survive: LOVE!

Linda Smith

As children in a new school
 So big and overwhelming—
 We found each other.
 We shared secrets,
 And disclosed fears and dreams.
 Together we began
 To explore the world around us.
 Wide-eyed, we asked questions—
 Of love and tears
 And right and wrong.
 We found answers within ourselves
 And our world began to expand rapidly.

Before—all the security and answers
 We needed came from our homes.
 But a change had taken place,
 A yearning began
 To grow inside of us.
 We needed more.
 Our eyes turned inward,
 We searched ourselves for those
 Things which make us unique.
 We began to establish
 Our own individual
 Morals and lifestyles.
 We turned to each other
 For support; for acknowledgement
 of virtue, recognition of
 Achievements, and acceptance.

And now, both as friends;
 Full of love, warmth and
 Strength and as individuals;
 Each of us with our own special
 Qualities, dreams, and independent
 futures, nothing can describe
 The fear and joy of the
 Freedom that we share.

Julie Tugend

Academics are a small part
 Of learning in high school
 And amongst the easiest forgotten.
 The emotional traumas are
 Imprinted in one's mind forever.
 Loving and losing has been
 My most valuable experience.
 There seems to be a lot of
 loving and losing at Albany High.
 For me, it happened
 One too many times.
 But it did help me
 In learning to deal with life
 And also in making me realize
 What kind of person I am.

Lori Varvaro

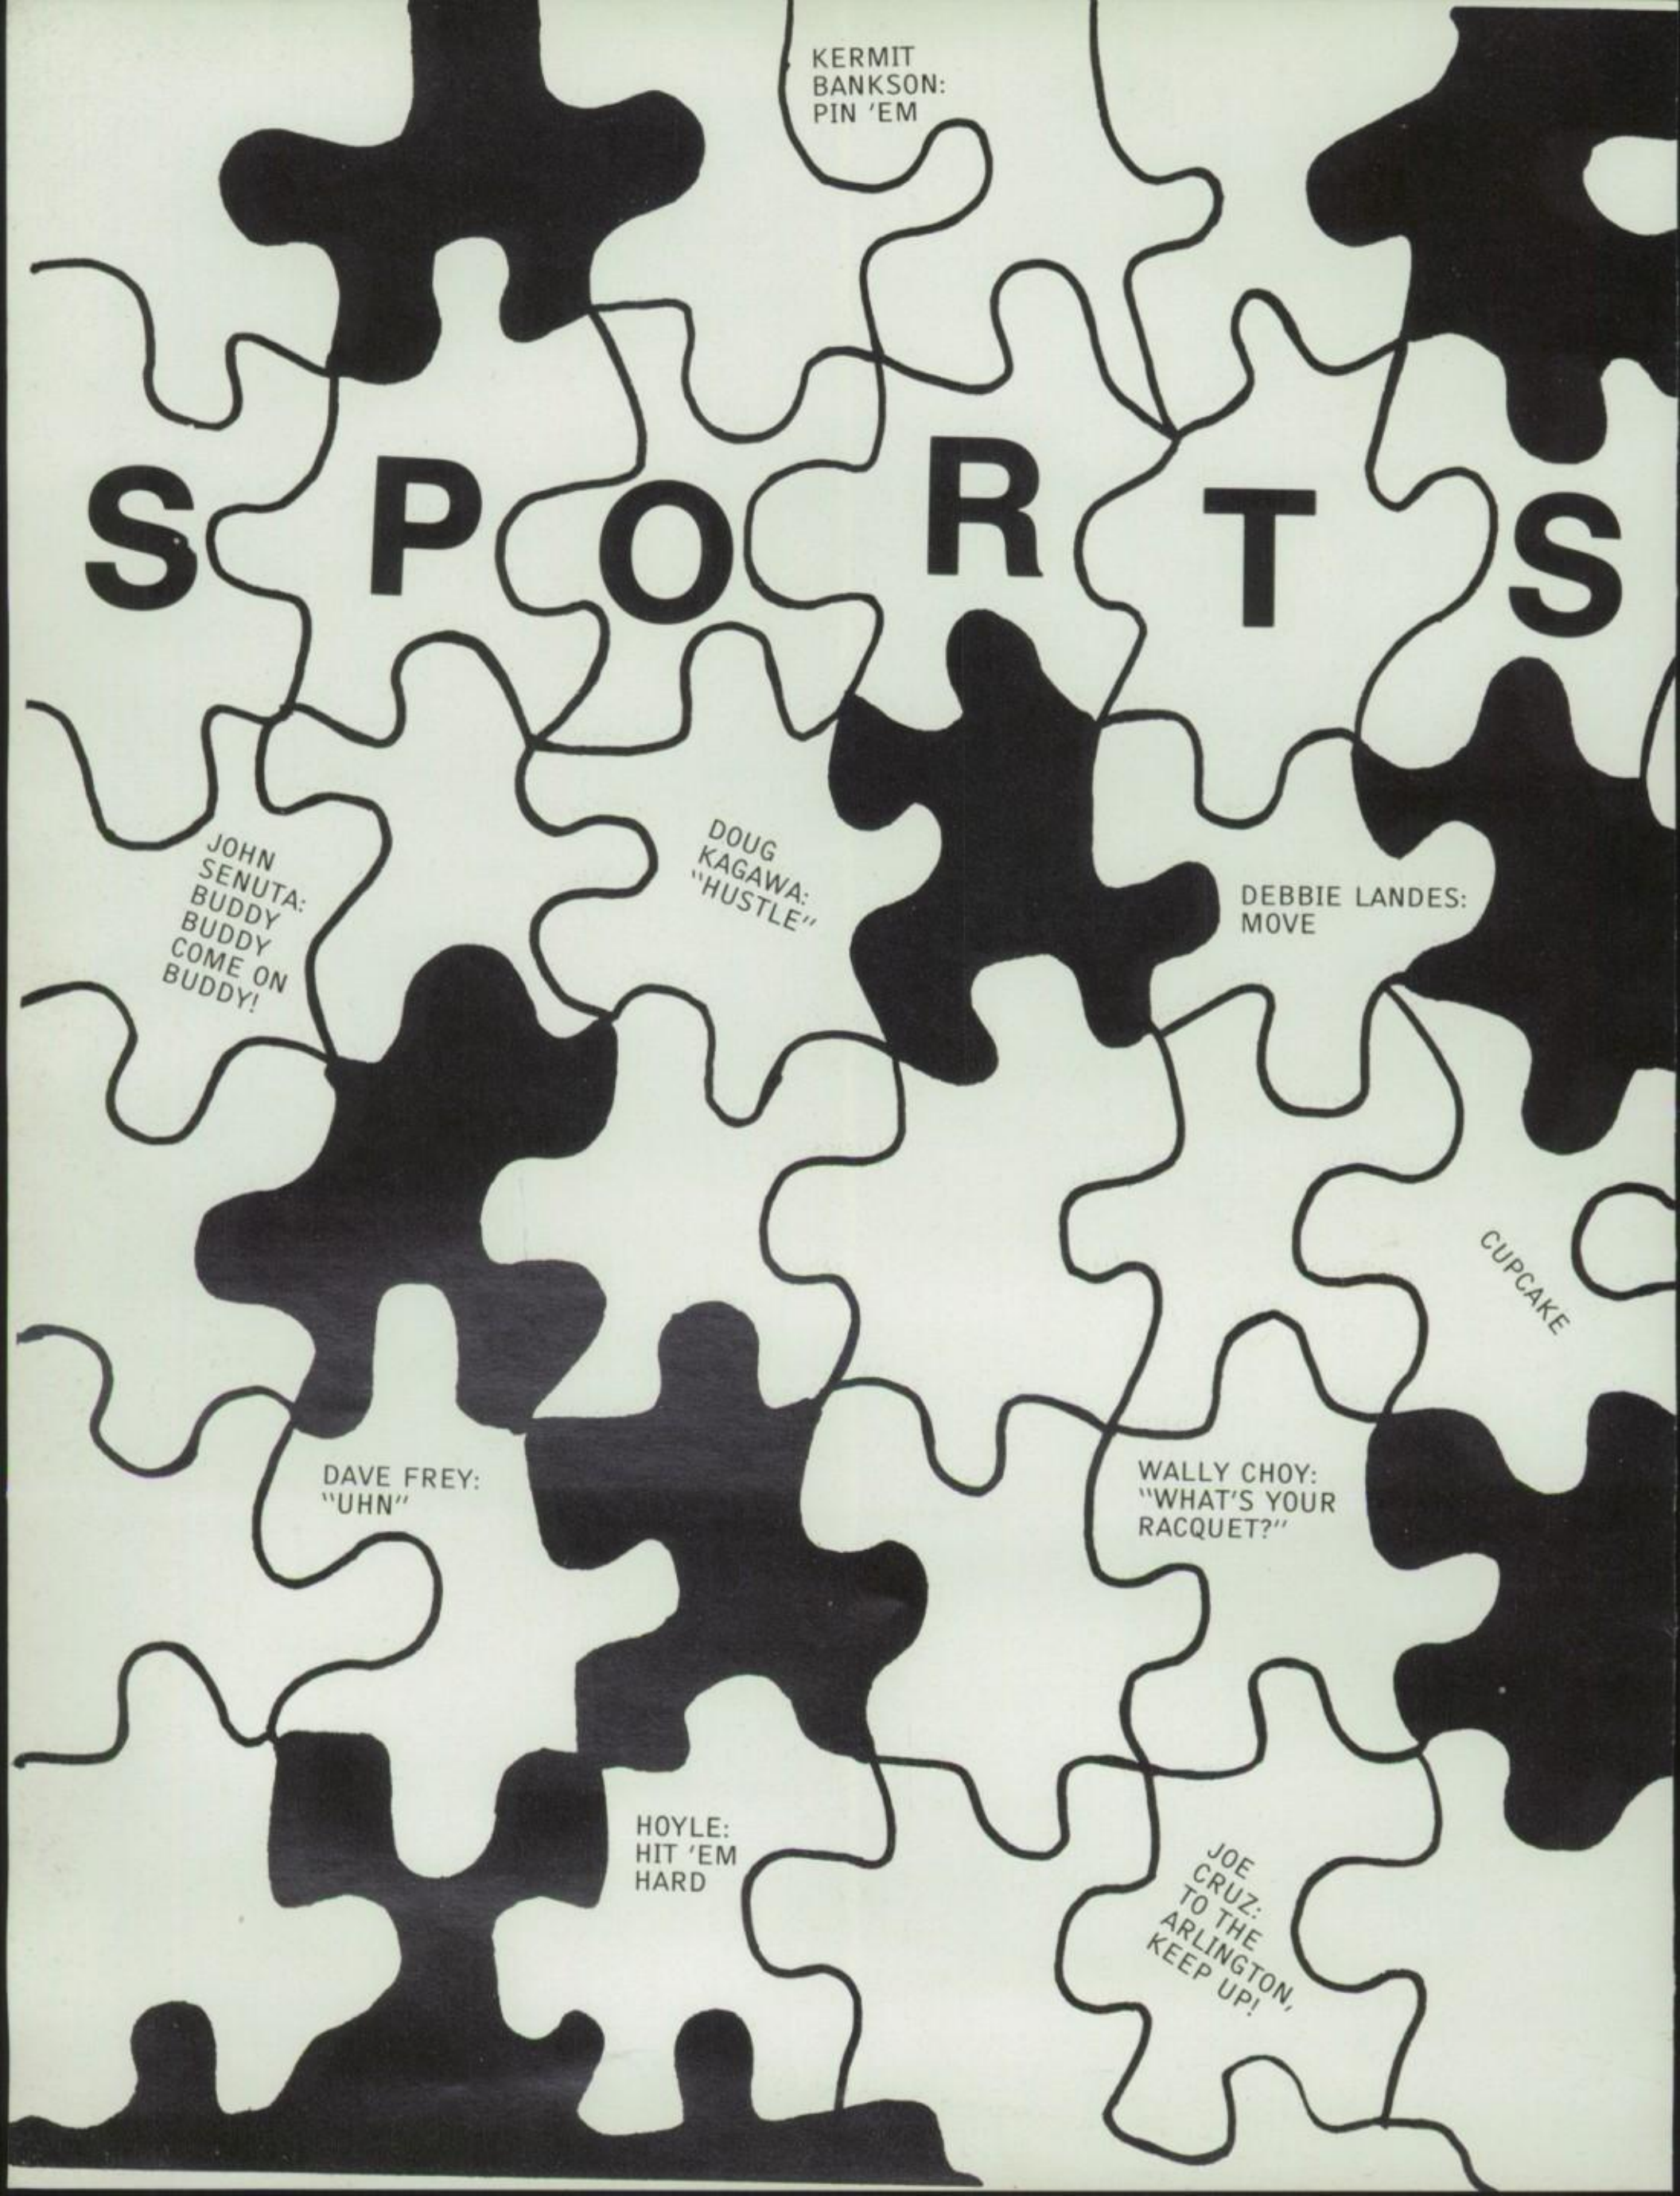

In the beginning, all was chaos
 The unfamiliar faces made everyday
 A frightening experience.
 Would it ever change?
 As the years went on,
 Things began to change.
 I was able to recognize different
 Names and place them with
 The correct faces.
 Making new friends was a task
 I hadn't given thought to;
 But to my surprise,
 People were as eager to find out
 About me as I was about them.

In 1978, I looked
 Back and wondered what
 Happened to my first two
 Years then I asked myself,
 "Will the next two go by as
 Quickly?" The answer was
 "Yes." Here I am, a senior,
 Rejoicing in the fun, the love,
 The hurt, and the pain
 That I have accumulated at
 Albany High School.

Eddie Witherspoon

When I was in elementary school,
 People used to always say,
 "You have all your high school years
 to look forward to,"
 That thought used to frighten me.
 After a year or so of high school,
 However, I realized that it was
 Very similar to elementary school,
 But with a lot more work and opportunities.
 I began to enjoy school because
 Of the people that I had a chance
 To meet and befriend.
 Now that my four years are over,
 I'd like to thank my many friends,
 for making high school so worthwhile for me.

TO THE CLASS OF 1980!

WE CONGRATULATE YOU AND WISH YOU SUCCESS IN THE FUTURE. YOU ARE NOT FACING AN EASY ROAD. HOWEVER, WE ARE THANKFUL THAT THIS IS STILL A LAND OF OPPORTUNITY, AND THOSE WHO ARE WILLING TO TACKLE THE IMMENSE PROBLEMS OF TODAY'S WORLD, WILL BE HANDSOMELY REWARDED, NOT ONLY FINANCIALLY, BUT WITH THE INNER SATISFACTION THAT COMES FROM DOING A GOOD JOB.

OUR FIRM HAS BEEN DOING BUSINESS CONTINUOUSLY IN ALBANY SINCE 1946. WE'VE BEEN CLOSE TO ALBANY HIGH SINCE OUR PRESIDENT GRADUATED FROM ONE OF ITS FIRST CLASSES IN 1933, AND HAD 2 DAUGHTERS GRADUATE, BOTH OF WHOM WERE ACTIVE IN THE HIGH SCHOOL BAND AND ONE AS THE HEAD CHEERLEADER. OUR LONGTIME ASSOCIATE AND CORPORATE SECRETARY-TREASURER, DORIS CHAMBERS, HAS 2 CHILDREN WHO GRADUATED FROM ALBANY HIGH WITH ONE STILL IN ATTENDANCE. DENNIS R. WILLIAMS, WHO HAS BEEN WITH OUR FIRM 26 YEARS, HAS FOUND HOMES FOR HUNDREDS OF ALBANY HIGH GRADUATES.

WE EXPECT TO CONTINUE SERVING THE COMMUNITY'S REAL ESTATE NEEDS, HELPING YOUNG PEOPLE FIND THEIR FIRST HOME, AND GUIDING THEM THROUGH REAL ESTATE INVESTMENTS.

WE ARE MORE THAN PROUD OF ALBANY HIGH, AND AGAIN CONGRATULATE THE CLASS OF 1980.

To Janet,
Let's see, where
should I start. How
about this, How are you?
I am Fine. No, this ain't
no good. I'll be serious now. If
the Future is going to be as good
as the past has been, it's going to be
even better than a great, outstanding, fantastic or
even a "Far out" summer vacation and hopefully
hundred years to come. It's impossible for me
to write down in words how I feel for you. After all
how do you write about a feeling you have in your heart,
you have to show it to the person and plan to show
Relationship. I hope we will always be. Now let's affect our
friends and hope we will always be. Now let's talk about
the summer vacation O.K. OK! I sure hope that you will
decide to go to my cabin for a week or two in August. It
should be real live! water skiing with our new ski boat, riding
my "Bad Ass" dirt bike, shooting all my guns so you can become
a sharp shooter like me "just kidding" listening to Rock-N-Roll,
speaking of Rock-N-Roll, this concert that we're going to go to should
be extra live with you ~~us~~ and sometimes I'm going to try to get
more days off work so ~~us~~ we want to go. I hope the gang can go to
the Beach or wherever we want to go. I hope Great America or
Santa Cruz is still planned for us, actually any were that I
go with you is great, Because your there with me. Well, I
could turn this into a whole set of Books
But I won't. I'm really glad that I called
you that day for prom, because it was
the smartest thing I ever did.
Love (and always will)
Greg Armstrong

Janet,
I hope you go here next year
even though this school ain't
the best. I still owe you a
ride in my Impala (car) if
you still want it. I hope
you have a fun summer
and come back with a
beautiful tan like last
year but even without
the tan you're still ~~beautiful~~
~~pretty~~ pretty

call me someday
yours truly

— 527-5574 —

JANET,
I'VE BEEN
ADMIN'ING you
for some time - Although
I'm sort of shy - I'd like
to take you out some
time. - If you ever want
Busy sometime, call

Janet -
 I am
 real sorry I did
 not work out, but it was
 fun when it lasted. I
 hope everything works out
 with you & hope we can
 get together this summer
 and so party or something
 I think that you are a
 beautiful girl and your
 young wife a knock out
 in a couple of years
 Friends always

Janet -
 It was fun having
 you in our class
 together and seeing you
 out the year. I hope I can get
 to know you better next year
 Stay alive

Janet,
He, in a
way it's kinda sad
that we didn't make Rah-
Rah, but then again we couldn't
move out or graduate early. So
all worked for the best! I am
glad that I ran for cheerleader
otherwise we'd have never gotten to
know one another. If ya ever need a friend
give me a call (525-8192). Long life & much
luck.

Love '81

Janet,
I've had lots of
fun partying with
you and I'm sure it
will continue. Stay
